FAQS: HOW REALTORS® CAN HELP CLIENTS WITH RECOVERY AND REBUILDING AFTER WILDFIRES

As a REALTOR*, your expertise extends beyond placing the right client in the right home. You have the ability to anticipate needs your clients may not yet be aware of. When it comes to recovering from the recent wildfires, applying this knowledge can lessen their anxiety and increase their efficiency. Below, we've gathered frequently asked questions to help your clients recover and rebuild from the wildfires.

How can I help my clients with the initial steps of displacement, recovery, and rebuilding?

<u>LA Recovers</u> is LA County's digital headquarters for all things recovery and rebuilding. The site is constantly updated with information for those impacted by both the Eaton Canyon and Palisades fires, from damage maps to city-specific permitting information and debris removal.

C.A.R. has created a collection of relevant Consumer Fact Sheets to offer your clients. They are listed on the Smart Zone website's <u>CA Wildfires Resources page</u>. These include <u>7 Steps to Navigate Insurance Issues After the Wildfires</u>, <u>A Renter's Guide to Recovering from the California Wildfires</u>, <u>Health and Safety: Returning Home After Wildfire</u>, and <u>Mortgage Relief After the Southern California Wildfires</u>, among others.

What grants or assistance programs are available to help my clients with wildfire-related expenses?

For immediate needs, LA County is accepting <u>applications for funds</u> for workers and small businesses impacted by the wildfires through February 24. For help with food costs, apply for Disaster CalFresh <u>here</u>. Temporary housing resources can be found in our <u>Renter's Guide to Recovering from the California Wildfires</u>.

Thanks to a generous \$1 million grant from the REALTORS* Relief Foundation (RRF), eligible households may receive up to \$1,000 to help cover housing-related costs. This **program** is available to full-time California residents who are U.S. citizens or individuals legally admitted for residence in the U.S. and who have experienced displacement or damage to their primary residence due to the wildfires. Applications are open from February 10, 2025 through April 30, 2025.

What are the city or county's estimated rebuilding timelines following the Eaton and Palisades fires? According to an EPA official quoted in this CNN article, "The hazardous waste clean-up alone could take three to

six months." The good news is that LA County has already enacted a two-phase debris-removal process that's well underway.

Many variables are in play that impact the timeline for each structure, lot and community.
